The Anschütz Action Mod. 54

A Short Final Word

Having now become familiar with your new Anschütz Match Rifle, you are now ready to devote the many hours of practice which are necessary for you to reach the championship grade.

Take your time, practice with your friends or in your basement with the Zimmerstutzen insert. Consider our well intended instructions as an aid to your practice.

On the following pages keep a record of good and bad scores. In this way you can see your progress.

ONE MORE CAUTION! Never aim a rifle at anyone loaded or not. Follow the rules as established by your organization. Never aim at a bird, it is better to feed them in the winter.

AND ONE MORE REQUEST. Please tell your friends that you are satisfied with your Anschütz Model 54. In case you have any suggestion or improvements you want us to consider just let us know.

Once more LOTS OF LUCK!

Cordially yours

J. G. Anschütz
